## OUR TREE ACTIVITY SHEET

Choose one of the trees in the woods that has a piece of coloured ribbon around its trunk.

Your task is to look carefully at the tree and all its different parts, and then see if you can work out what the name of the tree is using the picture cards you have been given.

**STAND BACK AND LOOK AT YOUR TREE.**

**OUR TREE IS AS HIGH AS**

.....

..... ( double decker bus? Lorry? Church? House? Etc.....)

**Our tree looks like this:**

**We cannot see the roots because they are**

.....

**The stem of a tree is called the .....**

**Feel the trunk of your tree. The bark feels.....**

.....

**Can you put your arms around the trunk and get your fingers to touch?  
Or do you need 2 people or 3 people to get all the way round?**

.....

**Take a bark rubbing of a section of the trunk.**

**The colour of the leaves of our tree are .....**

**Find a leaf from your tree on the forest floor. ( PICK ONE IF YOU CANNOT FIND ONE)**

**Draw your leaf. You could draw around it if you want.**

**Look at the picture cards of different trees.**

**Can you name your tree?.....**
